

Seedflex

MEDIA

APPLICATIONS

- Fume Extraction
- Agriculture

Description

Seedflex PU is a flexible polyurethane hose with a plastic rib for agriculture applications. Totally smooth inside and with UV resistant.

Size

- ID: 32 mm
- Max.length: 20 m
- Wall thickness: 0,6 mm
- Min.bend radius: 20 mm
- Weight: 242 g/m

Pressure

- Working pressure: 0,90 bar
- Vacuum rating: 0,72 bar

Temperature resistance

- Material: TPU
- Minimum: -20 °C
- Maximum: 90 °C

Further diameters upon request.
